

**VINCENT A. FORTE
GRADUATE SCHOOL FELLOWSHIP**

The Vincent A. Forte Graduate School Fellowship award is to a student enrolled in a graduate education program in engineering who expresses a sincere desire to enter the teaching profession at the University level upon completion of his/her graduate education. The award is named to honor Vincent A. Forte, P.E., a founder and first president of the Louisiana Engineering Foundation.

Rules

1. A graduate shall be a full time graduate student who is presently attending, or who is applying to enter, a graduate program in engineering at one of the recognized Colleges of Engineering in Louisiana, which has one or more ABET accredited engineering programs.
2. A candidate shall be a resident of the State of Louisiana and a U.S. citizen.
3. Preference shall be given to a candidate who has two or more semesters of academic work remaining before the completion of the engineering graduate degree program.

Timetable

1. College deans shall submit final recommendations no later than **November 30, 2021** to:

Louisiana Engineering Foundation
9643 Brookline Ave., Ste. 116
Baton Rouge, LA 70809

2. Fellowship announcements will be made by the Louisiana Engineering Foundation no later than December 31, 2021.

Award

Formal presentation of the Fellowship will be made at the Louisiana Engineering Society Joint Meeting on February 2, 2022 in Lafayette, LA. Failure to enroll in the selected graduate school may cause cancellation of the award.
